USD Student ID: 101166844

Dear Md Rezwanul,

Congratulations! I am delighted to inform you of your acceptance to the University of South Dakota for the 2023 Fall term, with the intended major of Computer Science. As South Dakota's Flagship University, we take great pride in admitting students who bring vitality and a diversity of talents to our campus. We believe that your academic performance shows you have much to contribute to the university, and I am pleased to award you a Coyote Commitment Scholarship. The award value is \$4000 per year and the 4-year value is \$16000.00. Your Coyote Commitment award is renewable for eight consecutive semesters of full-time undergraduate enrollment at the Vermillion campus. For full details, please review the [Scholarship & Award policy](#).

You have much to look forward to in the coming years. USD is special – our combination of academic opportunities, personal attention and affordable costs is unparalleled. Here you will not only acquire the knowledge and skills you expect from a US Flagship University, but also form relationships with faculty members and academic advisors who will support your personal and career goals every step of the way. Our safe, welcoming campus is a great place to make friends who will be by your side for discovery, late night studying, and in many cases, the rest of your life. Every part of the experience will contribute to preparing you to succeed in an ever-evolving workforce and society.

As you prepare for your first semester, we will continue to present you with opportunities to learn more about USD, the faculty and programs, your classmates and all the resources and organizations available to you. I encourage you to continue working with our International Office staff as your planning progresses. They will support you through the visa and class registration process, and they are ready to answer your questions or connect you with the faculty, staff or current students who can help you best. I am confident these personal connections will confirm for you what we've known since you applied for admission: You belong at USD.

To accept your offer of admission, please submit your [housing application](#) and pay the housing deposit or send your admission counselor an [email](#) confirming your acceptance. You will also want to bookmark the [international accepted student checklist](#). It will guide you through the steps necessary for enrollment and a smooth transition to orientation and the start of classes.

Again, congratulations and welcome to the University of South Dakota!

Sincerely,

Mark T. Petty
Dean of Enrollment
